General Mark W. Clark

Charleston, South Carolina

Dear General Clark:

I enclose a copy of a letter which I am sending today to Senator Joseph R. McCarthy which is self-explanatory. I would greatly appreciate it if you would advise me if any of the information which the Senator may transmit to you bears upon the loyalty or integrity of any employee of this Agency. If it did I should wish to make immediate investigation and take appropriate action.

Faithfully yours,

(signed)
